

ORCA Bus Testimonials

"The ORCA Bus was a delightful experience for both my child and me. I was so impressed with the bus, the staff and Oliver was thrilled with all the new and exciting books and toys. This was a great morning with our friends."

~ Rachel Scrivener (Oliver's mum),

"The ORCA Bus was a lot of fun for my three kids. They enjoyed a variety of activities and a snack. It is really great that the bus can come south of town so close to home!"
